Mostrando uno stile di vita eccessivo, una creatura si dedica alla propria quotidiana routine, nel corso della quale brucia energia e risorse in modo sfrenato...

The living example of an extravagant lifestyle, a creature tends to its daily activities, during which it wastefully burns up energy and resources

Isaac King ha studiato animazione alla Emily Carr Institute of Art and Design di Vancouver. Trasferitosi a Toronto, fonda e dirige la Head Gear Animation. Tra i suoi lavori *Gutter Ball Alley Show Open* (2001), *Dairy Farmers of Ontario - Bovine Phonenumber* (2003) e *Naturegg - Hearing* (2005)
